Escola Secundária de Montemor-o-Novo

CLASS (COURSE YEAR)*

10ºC

ACADEMIC SPECIALISATION

Ciências socioeconómicas

REFERENCE TEACHER (NAME)*

Jaime Carvalho

Title of Civic monitoring report*

Write the title of the Civic monitoring report here.

Quinta da Plansel

Monithon Report*

Fill the appropriate form (Monithon Questionnaire) and deliver it together with this Report 3 form

Blog post of the visit*

Tell the story of the civic monitoring visit.

The maximum limit (spaces included) for the entire article is **1,500 characters**.

No passado dia 19 de março de 2024 fomos conhecer melhor o nosso projecto, visitando a Quinta da Plansel. A Joana e a Raquel fizeram-nos uma visita guiada, onde nos apresentaram todos os processos de formação do vinho desde a recolha da uva até o engarrafamento. Com esta visita ficamos a conhecer melhor o nosso projeto e toda a atividade produtiva envolvente.

QUESTIONS ASKED AND ANSWERS RECEIVED

Question 1*

Write here question 1 asked during the civic monitoring visit.

Quanto tempo demora o vinho a fermentar?

Answer 1*

Write here the response given to question 1 during the civic monitoring visit.

Cerca de 30 dias.

Question 2*

Write here question 2 asked during the civic monitoring visit.

Qual a capacidade de uma pipa, e se estas são reutilizáveis?

Answer 2*

Write here the response given to question 2 during the civic monitoring visit.

Cada pipa tem uma capacidade de cerca de 250 litros e pode ser reutilizada entre duas ou três vezes.

Question 3*

Write here question 3 asked during the civic monitoring visit.

Qual o significado do nome “Plansel”?

Answer 3*

Write here the response given to question 3 during the civic monitoring visit.

Este significa plantas seleccionadas, pois antes produziam plantas para as vinhas.

Civic monitoring video*

Enter the link (URL) to the civic monitoring video. The link may be a video uploaded to YouTube or another video sharing platform (remember to set the video to be shared in public mode).
